48. **Evaluation Criteria-**The broad guidelines for evaluation of Bids will be as follows:

(b) **Single Bid system:** Since the stores available commercially off-the-shelf (COTS) and LP items, where qualitative requirements and technical specifications

are clear, single commercial bid system is followed. No sample required at the RFP stage. The samples will be submitted by the successful bidder before finalization of the contract.

(c) If required, negotiation will be made during finalization of the contract and the date will be intimated later.

(d) The Principal, Sainik School reserves the right to reject any or all tenders without assigning any reason thereof. Tenders by Fax/E-mail will not be accepted. Post tender correspondences shall not be entertained.

(e) Last two year's list of clients is to be enclosed. Separate tender papers should be obtained for different items.

(f) It is hereby brought to the notice of all prospective bidders that if any change/additions/alterations are found to be made by them in the copies of the quotation, proof documents etc. and the same is subsequently detected / noticed at any stage even after award of the supply order; all necessary actions including stoppage of the supply order, forfeiting of Security Deposit and stoppage of payment would be taken. In addition, the bidders shall be liable to be prosecuted under law for any malpractice found.

(g) This advertisement does not constitute, and will not be deemed to constitute any commitment on the part of the school with respect to exact demand quantity.

(h) The tender forms are required to be submitted prior to tender opening procedure. Late and incomplete tender forms shall be summarily rejected. No correspondences in this regard will be entertained.

(j) The Principal, Sainik School reserves the right to itself not to issue the document and/or to accept or reject any or all the offers at any stage of the process and or modify the process without assigning any reason whatsoever, and his decision in this matter is deemed as final and binding. The firm will not be entitled for any compensation for rejection of his application.

(k) If any firm has authorized dealership certificate, the same may also be enclosed. The authorized dealership shall be considered subject to other conditions.

(l) Sainik School does not bind itself to accept only lowest tender. It reserves the right to select the bidders on other essential count also.

(m) The lowest bid will be decided upon the lowest price quoted by the Bidder. The consideration of taxes and duties in evaluation process will be as follows:-

Date:

(Signature of Tenderer & Seal)

(i) In cases where only indigenous Bidders are competing all taxes and duties (including those for which exemption certificates are issued) quoted by the bidders will be considered. The ultimate cost to the Buyer would be the deciding factor for ranking of Bids.

(ii) The Bidders are required to spell out the rates of Customs duty, Excise duty GST, Service Tax, etc in unambiguous terms, otherwise their offers will be loaded with the maximum rates of duties and taxes for the purpose of comparison of prices. If reimbursement of Customs duty/Excise Duty / GST is intended as extra over the quoted prices the Bidder must specifically say so. In the absence of any such stipulation it will be presumed that the prices quoted are firm and final and no claim on account of such duties will be entreated after the opening of tenders. If a Bidder chooses to quote a price inclusive of any duty and does not confirm inclusive of such duty so included is firm and final, he should clearly indicate the rate of such duty and quantum of excise duty included in the price. Failure to do so may result in ignoring of such offers summarily. If a Bidder is exempted from payment of Customs duty/Excise Duty/GST duty up to any value of supplies from them, they should clearly state that no excise duty will be charged by them up to the limit of exemption which they may have. If any concession is available regarding rate/quantum of Customs duty / Excise duty / GST, it should be bought out clearly. Stipulations like excise duty was presently not applicable but the same will be charged if it becomes leviable later on, will not be accepted unless in such cases it is clearly stated by a Bidder that excise duty will not be charged by him even if the same becomes applicable later. In respect of the Bidder who fails to comply with this requirement, their quoted prices shall be loaded with the quantum of excise duty which is normally applicable on the item in question for the purpose of comparing their prices with other Bidders. The same logic applies to Customs duty and GST also.

(n) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.

(o) The Lowest Acceptable Bid will be considered further for placement of contract / Supply order after complete clarification and price negotiations as decided by the Buyer. The Buyer will have the right to award contracts to different Bidders for being lowest items. The Buyer also reserves the right to do apportionment of quantity, if it is convinced that lowest Bidder is not able to supply full quantity in stipulated time.
